

## “German Packaging Award 2017”, ceremony in the heart of Berlin

On 26 September 2017, the Deutsche Verpackungsinstitut e. V. honored the best solutions and innovations in the packaging industry with the German Packaging Award 2017. The Cobot System of IWK Verpackungstechnik GmbH won the award.

IWK was one of three winners, among nearly 200 contestants from 12 countries. In the category “machine engineering” we convinced with our latest innovation. The Cobot System is one of the best and most innovative packaging solutions of the year.

We are very proud to received another prize for our technology. This was celebrated in an informative and entertaining ceremony in Berlin.
